1 INTRODUCTION

1.1 WELCOME NOTE

It brings me great joy to say that our team, for the fourth time in a row, will invite to Latvia the fastest drivers from all over Europe, in order to join the rally festivity taking place in the city of Liepāja.

Since last year, the port city of Liepāja has transformed significantly, with the most notable change being the new concert hall *Great Amber*. We cannot leave such an important object without the attention it deserves, so a special

racing competition will take place next to and around the new building on Sunday afternoon. I am confident that seeing rally cars racing through the streets will bring joy to the Liepāja locals, whose city has a 50 year long history with rallying.

Also in 2016, we ought to organise a pure winter event, which for the first time had the honour to open the FIA European Rally Championship! Though, nature had sought differently, and due to unfavourable weather conditions, we made a very difficult decision to reschedule the rally to September. Luckily, every cloud has its silver lining, and I am more than convinced that Liepāja and Kuldīga roads will make speak for them long after the finish!

A rally like this is possible only with the support of reliable and motivated partners, so I want to say thank you for the support given to us by the Latvian government. In addition to that, I would like to commend the responsiveness and involvement of Liepāja City Council and Kuldīga City in preparing the rally. My regards go to *Fédération Internationale de l'Automobile*, *Eurosport Events*, *Latvian Automobile Federation*, and all our partners for forthcoming and understanding, inspiring the whole team of *RA EVENTS* to organise another *Rally Liepāja*!

I wish you all a beautiful and positive autumn *Rally Liepāja*!

Raimonds Strokšs, Director of Rally Liepāja

1.2 ITINERARY

Rally Liepāja will consist of 13 special stages with a competitive distance of barely over 200 km. The rally will begin on Friday, 16th of September, with the qualifying, start position selection for priority drivers and the ceremonial start of *Rally Liepāja*. Saturday, 17th of September, will have the first seven special stages, including the super special city stage next to concert hall *Great Amber*, while Sunday, 18th of September, will give room for six more stages. After the rally activities, everyone is welcome to visit the newly-built concert hall *Great Amber*, next to which the awards ceremony will take place.

1.3 REGULATORY POWER OF THIS DOCUMENT

This document has no regulatory power – it is just for information only. All information can be changed or added; updates will be published on www.lvrally.com.

1.4 WELCOME TO LIEPĀJA!

Liepāja has been active in promoting and organising rally events for the last 50 years, and has done so not only to increase the popularity of rally and continue its long rally traditions, but also to strengthen the bond between the locals.

The last year has been full of achievements for Liepāja, with the city taking a historically significant step in its development – the new concert hall *Great Amber* has been opened, a modern airport was built, and Liepāja has received the status of a resort town. There have also been successes in sports, resulting in the city becoming the European city of Sport for 2016. However, sports is not just about setting and fulfilling ambitious goals, it is also about togetherness and collaboration.

That is why “collaboration” is a key term this year – collaboration among states and cities, between the city council and its locals, between athletes and their coaches, neighbours, brothers and sisters, husbands and wives. Even a great driver cannot win alone, it is necessary to have a reliable co-driver, experienced coach and the support of family and fans. Everyone needs to know that they are believed in and that they have access to support at all times – by working together, we can achieve more and reach seemingly impossible goals.

I wish for everyone to meet the right partners to collaborate, progress, improve themselves, reach better and better results, and achieve more!

I wish for everyone to meet the right partners to collaborate, progress, improve themselves, reach better and better results, and achieve more!

Uldis Sesks, Chairman of the Liepāja City Council

12.4 EXPECTED MEDIA COVERAGE

Rally review and highlights will be telecasted by the *Eurosport* and *MTG* media group.

13 RALLY CITY - LIEPĀJA

Liepāja is the third largest Latvian and the tenth largest Baltic city, located between the Baltic Sea and Liepāja Lake, which are joined together via the Tirdzniecības canal. The city tram line reaches all the way from Jaunliepāja to the Ezerkrasta neighbourhood, and it is the oldest tram line in the Baltics, with Liepāja being one of just three Latvian cities that have trams as a mean of public transportation.

Sea with the largest beach in the country, leisurely relaxation, beautiful nature and gorgeous sunsets – these are just a few of the things that entice the Liepāja locals, visitors from other Latvian cities and guests from all over Europe and other countries.

Liepāja is a tourist oriented city with a large added value, providing high quality services for visitors with varying interests and needs. In 2013, Liepāja won the international *EDEN* “accessible tourism” award for people with special needs, and was also named “*European Destination of Excellence in Latvia*”.

The city is also rich with culture, art and sports traditions. Summers in Liepāja are filled with events catering to everyone’s taste. Even in months when the sun is out for a shorter time, the culture and art life in Liepāja is still alive and well, offering various exhibitions, expositions and concerts, along with other creative activities. It is worth to especially note the plays at Liepāja theatre, as they are renowned all over Latvia and beyond. The local cathedrals and churches are sure to take your breath away with their rich interiors, bringing you centuries back in time. After taking in everything the city has to offer, visiting one of the welcoming cafes and restaurants will surely be a great way to relax and regain energy.

Liepāja inspires!

13.1 CONCERT HALL “GREAT AMBER”

At the basis of the architectural concept of the concert hall *Great Amber*, created by the excellent Austrian architect Prof. Volker Giencke, lies amber – the symbol of Liepāja found at the coast of the Baltic Sea. Thus, its architecture is a portrait of music, frozen in time and in amber.

The concert hall *Great Amber* comprises eight stories of 14'126m². It has three concert halls – the Great Hall with 1010 seats, the Chamber Hall with 200 seats and the Experimental Stage with 150 seats, in addition to public events spaces *Civita Nova*, a coffee shop and a restaurant.

For the convenience of visitors, an information centre is open in the concert hall each day. Working hours: from Monday to Saturday between 10:00 and 20:00, and from 10:00 to 15:00 on Sundays. There, it is possible to buy tickets to shows, learn more about Liepāja and the concert hall, buy books and souvenirs about architecture, art and culture, as well as reserve excursions in *Great Amber*.

For those who wish to have a guided tour around *Great Amber* and its concert halls, as well as learn interesting facts about the multifunctional centre, please register in advance by calling +371 634 24555.

The shape, unique interior and excellent acoustics of *Great Amber* permit to say that a visit to this centre of the culture of the Baltic Sea region will surely become an unforgettable experience!
