1. ORGANIZER'S SPEECH

Rally Sarma is an integral part of Gulbene winter!

As every year Gulbene region and Gulbenes AUTO - MOTO invite all rally crews and all rally fans from Latvia and Estonia and other countries to participate in the Baltic's oldest winter Rally Sarma 2019 and to be part of winter feast full of adrenaline and sound of engines.

I would like to say that Rally Sarma is a real winter classic, as it will be held 44th time. I am very pleased that, despite its age, Rally Sarma is one of the most popular rallies. We receive more and more thanks and fame from year to year. We are aware that we cannot compete with summer rallies, which, due to climatic conditions, can be organized in level of festivals.

That why we are looking for our own way - by rising quality of the rally organizing and introducing various technological improvements. It was Rally Sarma who figured out how to take advantage of Waze and Google Maps in the rally. Even we become official partner of the Waze and we are helping with that to other rallies in Latvia. You do not need maps or printed descriptions to find way to the special stages right now, if you have a smartphone. In terms of events and rally, Gulbene region council and we have ideas and even crazy ideas. However, it is not possible to realize all the ideas in one year because we are a small team of organizers, but we promise you that we will continue to grow in the future as well. Our goal is to create an interesting and everyone's favorite rally every year.

Speaking about this year's rally, we prepared special stages - some of them are well-known, some are somewhat unfamiliar, but some... an interesting combination between the known and the unknown. The special stages of the race will be very interesting and will allow the teams to test their skills. There should be good winter after so good summer. We will do our organizational work, but the rest is in hands of competitors and spectators.

See you in Rally Sarma and in Gulbene region!

Director of the Rally Sarma

2. GULBENE'S REGION COUNCIL MAYOR'S SPEECH

Welcome Rally „Sarma 2019” participants and spectators!

Latvian rally is unthinkable without the traditional winter Rally Sarma, which has become a prestigious winter race, not only in Latvian, but also in foreign auto sport society.

Gambling, speed and driving skills are unchanged values of auto sport. These three things make the race so exciting and so filled with adrenaline not only for competitors but for large number of spectators who arrive in Gulbene region every year as well.

Winding and wooded roads of our region are tough challenge for competitors, and guarantee of nice action for spectators.

We are grateful to the organizers who make this excellent rally celebration every year!

Dear rally enthusiasts! Welcome to Gulbene County!

I wish you good race and pleasant rest!

Mr. Normunds Audzišs

Chairman of Gulbene County Council
